

## SKI MEISTER CHALLENGE

---

***West River Sports***

For the winter season of 2024-2025, every day a West River skier spends at least 30 minutes sliding on snow, they can mark their SKIMEISTER Calendar as a ski day. The goal is to encourage kids to get outside and enjoy the snow as much as possible! Any day a West River skier has something strapped to their feet that slides on snow counts as a ski day—whether it's alpine skiing, snowboarding, cross-country skiing in the backyard, XC practice, or even a race! At the end-of-year party, we'll celebrate our top SKIMEISTERS of the season.

How many days can our top SKIMEISTERS rack up? 50? 60? 75?!

LET IT SNOW! The SKIMEISTER CALENDAR is attached for tracking your ski days.
